

Close Grip Non Slip Matting Datasheet

Product Code: RC04122

Product Description

Our close grip non slip matting is a highly versatile and incredibly useful flooring solution. It is the perfect product for use in busy industrial areas as the close mesh is dense enough to prevent smaller components from falling through. This also enables you to use trolleys and other small-wheeled vehicles with ease.

Size Specifications

Matting Installation

As we supply our Close Grip PVC matting in a single roll, installation is quick and simple.

- Loose lay, no permanent fixtures required
- Supplied in 10m rolls, simply cut to size
- Holes can be cut to accommodate pipes
- Contours to the floor surface
- Add edging strips for easy wheeled access

Cleaning & Maintenance

Keeping Close Grip PVC matting clean is a quick and easy job.

- Dirt & debris will naturally fall away from surface of the matting
- Simply lift or roll matting to clean
- Clean area beneath the matting with a brush or a high pressure hose
