

## Air Hose - 15 Bar Datasheet

Product Code: RC07-D-101

### Product Description

Medium duty air hose is engineered for medium-duty applications, also proving to be appropriate for water and non-corrosive fluids.

### Technical Specification

| Inner Diameter | Wall Thickness | Outer Diameter | Weight |
|----------------|----------------|----------------|--------|
| mm             | mm             | mm             | kg/m   |
| 22             | 5.5            | 33             | 0.61   |
| 25             | 5.5            | 36             | 0.75   |
| 30             | 5.5            | 41             | 0.87   |
| 32             | 5.5            | 43             | 0.90   |
| 35             | 5.5            | 46             | 0.98   |
| 38             | 5.5            | 49             | 1.04   |
| 40             | 6.5            | 53             | 1.32   |
| 45             | 6.5            | 58             | 1.47   |
| 51             | 7.0            | 65             | 1.78   |
| 60             | 7.5            | 75             | 2.20   |
| 63             | 7.5            | 78             | 2.30   |
| 70             | 7.5            | 85             | 2.43   |
| 76             | 7.5            | 91             | 2.60   |
| 80             | 7.5            | 95             | 2.75   |
| 90             | 8.5            | 107            | 3.70   |
| 102            | 8.5            | 119            | 4.02   |
| 127            | 8.5            | 144            | 4.90   |
| 152            | 9.0            | 170            | 5.78   |
