

## Weighbridge Rubber Profile - 149.32mm

Product Code: RC01110-149

### Measurements:

| Width    | Height |
|----------|--------|
| 149.32mm | 48mm   |

The information contained on this product information sheet is to be used as guidance. The advice is given in good faith and does not constitute any guarantee or recommendation for suitability. ## Technical Data

| Specification | Value                          |
|---------------|--------------------------------|
| Material      | 70 IRHD EPDM                   |
| Density Range | ASTM D2000, 4AA, 707, A13, B33 |

| Definition                            | Specification | Actual Value |
|---------------------------------------|---------------|--------------|
| Hardness                              | 70° ± 5°      | 73°          |
| Tensile Strength                      | 7 MPa min     | 10 MPa       |
| Elongation at break                   | 400%          | 430%         |
| Compression Set (70°C for 22 hours) % | 35% max       | 28%          |
| Change in Tensile                     | -25% max      | -18%         |
| Change in Elongation                  | -25%          | -18%         |
| Change in Hardness                    | +10 max       | +7           |
| Ozone                                 | No cracks     | Pass         |
